

RUM RIVER HILLS MEN'S SENIOR LEAGUE

2022 Events

We are starting the season with an 8:00 am League Meeting on Tuesday, April 26, followed by a non-event round of play following the meeting.

Our first official event will be on Tuesday, May 3 and we will play each Tuesday following that through Tuesday, Sept 20.

Events will be played each Tuesday from May 3 through September 20, weather permitting with each event being identified 2 weeks prior to the actual playing of it. This allows for flexibility and for inclusion of new event members would like to have us consider playing. If you have suggestions for events please mention them at our league meeting on April 26.

All events are played on Tuesday Mornings at 8:00 am. We use a shotgun start and all events are 18 holes of play.

We will maintain a 3-flight structure for events (handicap ranges "TBD") with First and Second place finishers receiving a payout for their good play. There may be events where payouts will be limited to only first place finishers, such as Nassau events where there is payout for the front and back nine.

Events include such things as

Medal Play (low net)	Nassau
Best Ball Team events (2 or 3 ball)	1-2-3 w/Handicaps
18 Hole Par 3 event	Long Drive
Closest to the Pin	2-Man Scramble

NOTE: No "Committee Pick" events are being planned at this time, meaning members will be playing with whomever they sign up with for each round.,

As mentioned previously, if you have other events you would like us to consider, please mention them at our Membership Meeting on April 26. Because of our change in scheduling of events we can be very flexible in considering new events throughout the league schedule.

Tee Boxes:

You can use either Red or White tee boxes, but if you use the Red, you must declare so and maintain that usage throughout all events unless the event itself dictates differently.
