

RUM RIVER HILLS MEN'S SENIOR LEAGUE

2024 Events

We are starting the season with an 8:00 am League Meeting on Tuesday, April 16, followed by a non-event round of play following the meeting. Our first official event will be on Tuesday, April 23rd.

Events will be played each weekly, weather permitting, with each event being identified two weeks beforehand. If you have suggestions for events please mention them at our meeting on April 16th or contact Scott Davis, Events Coordinator.

All events are played on Tuesday mornings and all events are 18 holes of play. We will maintain a 3-flight structure for events based on handicap (handicap ranges "TBD") with 1st and 2nd place receiving a payout. There may be events where payouts will be limited to only first-place finishers, such as Nassau events with payouts for the front and back nine.

Events include:

Medal Play (low net), Nassau, Best Ball Team events, 18 Hole Par 3 event, Long Drive, Closest to the Pin, 2 and 4-Man Scramble, Green Ball, Beat the Pro, etc.

NOTE: "Committee Pick" events are being planned for once a month at this time. Members will play with whomever they sign up with for the remaining events.

Tee Boxes: You may use either Red or White tee boxes, but you must declare which tee box and maintain that usage throughout all events unless the event itself dictates differently.
